PALO PINTO COUNTY

FENCING RIGHT-OF-WAY REGULATIONS

On May 26, 2020, the Commissioners' Court of Palo Pinto County adopted an Order setting regulations and guidelines on installation and building of new fences, and other right-of-way regulations.

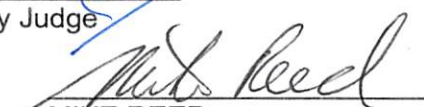

Fences and other obstructions are not permitted in the right-of-way of county roads. Any new fencing installed for and/or by landowners on property located in Palo Pinto County and adjacent to a Palo Pinto County Road must comply with the following regulations and guidelines:

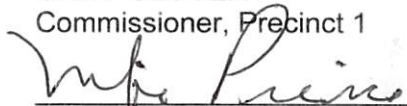

1. The new fence must be installed at a distance of at least 30 feet from center of road.
2. If any existing fence is to be replaced, the new replacement fence must be built on the existing fenceline or at a distance of 30 feet from center of road, whichever distance is greater.
3. In all new or replacement fencing, the fence must not encroach into the county right-of-way.
4. Concrete, Brick or Masonry Work that is not part of the road drainage system or pavement system is not allowed within the county right-of-way, except as provided by County Commissioner. Entrances, gates and private retaining walls are not allowed within the county right-of-way.
5. Planting or constructing landscapes within the county right-of-way is not permitted. Landscaping includes, trees, shrubs, vines, flowers and other decorative plantings as well as the construction of landscaping appurtenances.
6. Placement of advertising signs and other private signs within the county right-of-way of any county road is not permitted. Street name signs are permitted by Palo Pinto County regulations.

Adopted this 26 day of May, 2020.
